About your Judge

Christine Bennett (Hochopepa)

I have been involved and working with dogs for over 50 years.

During my career I have worked in kennels, grooming, veterinary nursing and a variety of other canine/animal positions.

I have managed a working hunt kennel with a pack of 25 Basset Hounds.

I have puppy walked for guide dogs for the blind, both my puppies passed and went on to guide their blind owners. I also donated a Spinone Puppy (Elvis) to the organisation to be used at stud for the purpose of increasing the gene pool. Elvis had to go through the tough training regime as all guide dogs, he passed and went on to sire several litters, with a good percentage passing to become guide dogs.

I have an HND in animal care and have worked as a part time lecturer in animal care at Myerscough Agricultural College campus of the UCL.

I have been involved with Spinoni for over 30 years and was involved in the production of the grooming video for the ISCGB.

My Hochopepa Spinoni have been made up in the UK, Ireland and Denmark and have countless awards to date.

I am passionate about the breed and work hard at keeping my stock true to type.

COVID SPECIAL PROCEDURES AND INFORMATION

The Society will ensure to the best of its ability that the event is run to minimise the risk of COVID transmission. It is your responsibility to ensure you comply with any national, local and venue restrictions which may be in place at the time of the show.

If a competitor, or visitor, has any Covid-19 related symptoms or has tested positive for Covid-19 they should isolate in line with government advice at the time of the show and not attend the show.

The welfare and safety of our exhibitors and visitors is important to us, therefore we have put in place some measures to reassure those people who may be concerned about attending an indoor show. The committee are aware that for some people this is a big step and we want you to feel as safe and comfortable as possible.

We do not know what, if any, restrictions or measures will be in place at the time of the show but we would expect those attending to comply with government guidance in place at the time.

Everyone has their own views on behaviour relating to COVID but please respect the fact that your actions may have an impact on others whose personal situations require extra caution.

We do not wish anyone to feel unsafe by attending, if you have any concerns please raise them with any committee member. If you are worried, please consider using lateral flow tests before you attend and a few days after you get home.

It remains the responsibility of those attending the show, particularly anyone who falls into the category regarded as 'vulnerable', to additionally conduct themselves in an appropriate manner which adheres to any Covid guidelines in place at the time of the show.

It is your personal choice whether or not you wear a face covering. We suggest using these when moving around, if you are likely to be in closer contact with others, and optionally when seated.

We have a large indoor area and there will be plenty of space for you to spread out both inside and outside the ring, so please keep whatever distance you feel comfortable with and respect the personal space of others.

Hand sanitizer will be readily available, please use this when touching surfaces and wash your hands regularly.

Several of the measures that we put in place last year helped the show run smoothly so we will be keeping some of them.

The ring will be set up with different entry and exit points so please pay attention and familiarise yourself on arrival.

Rosettes will not be handed out in the ring, instead they may be collected from the steward's table.

The judge will ensure their hands are regularly sanitised.

We are asking exhibitors to show the dog's teeth so that handling is kept to a minimum and to reduce the risk of infection passing between dogs.

16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

WELFARE OF DOGS

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Limited Rules and Regulations.
