JUDGE PROFILES

JENNY MILLER (FEORLIG)

I live in Leicestershire with my daughter and her fiancé who are both keen dog owners and Judges. My son lives in Buckinghamshire, where I came from, with his wife and daughters and he also judges dogs, so it is very much in the family.

I first judged in August 1974 at Open Show level with my own breed, the English Springer Spaniel. I now judge nearly all the breeds within our seven groups at Open Show level and Best in Show. I award 30 CCs in the Gundog Group, plus judge both Gundog Group and Terrier Group. I judge Best in Show at all Breed General Championship shows. I have judged internationally around the World from Barbados to Iceland and Africa to Australia and in most of all the European Countries judging their groups at Championship level and Best in Show and judging breeds within FCI groups 3/7/8/9.

I also award 18 CCs between the UK's five other Groups and have just been honoured by the Kennel Club in being invited to judge the Gundog Group at Crufts in 2024.

I have handled and shown many breeds. Under the affix FEORLIG (which comes from the Isle of Skye) I have bred and owned 16 English Springer Spaniel Champions, 1 German Shepherd Dog Champion and had several with stud book numbers. With my daughter we have bred eight Papillon and seven Skye Terrier Champions.

I am very happy and so looking forward to judging for you at the East Anglian Collie Association Championship show and hope that the pandemic will be a long distant memory and we can all enjoy our hobby.

ULLA BERG-PERSSON (BERMARKS)

I have always been very fond of animals but my parents were not, so I took all the dogs in the neighbourhood for walks. One of these dogs was a Collie bitch that I fell in love with and after getting a summer job aged 15 I bought a tricolour bitch puppy. I joined a working dog club and my bitch, Lady, competed at top level in tracking. She was a granddaughter of Beulah Golden Flambeau, one of the leading stud dogs in Sweden at the time. I mated her later to a dog who was also a grandson of Flambeau. Out of that litter of nine I kept a dog, Ch Bermarks Arbin and that is how my breeding started. After my A levels I became a teacher. A good profession for a dog breeder, short working days and long holidays. Out of my fourth litter I kept a tri bitch Ch Bermarks Black Dido which trained as a police dog. She got her three CC's, BIS and also her title. To become a champion in Sweden it's not enough to get three CCs but you are also forced to compete in working trial at a very advanced level. That's why there are very few Swedish champions. In 1959 I imported my first Collie from England, Ugonys Copper Gleam from Meerhay, a grandson of Ch Liberty of Ladypark. He had success before coming to Sweden with a CC at Bath championship show. In the 1970's I bought a Sandiacre bitch mated to Ch Brilyn Supertramp. In that litter Bermarks Barley Sugar was born, an outstanding bitch winning many CCs. During this time I became interested in blue merles. To breed beautiful well moving Collies is difficult but to breed a beautiful clear silvery blue is a challenge.

I have X-rayed my collies for HD and also PRA/CEA examined all my stock since 1975. In Sweden we do not breed from HD affected Collies and many Collie owners X-ray their dogs. I have been very lucky with both hips and eyes. I think that soundness and mentality must correspond with the exterior.

At the moment there are two Collies in my kennels, both blue bitches. Apart from breeding Collies, Shelties have been a part of my life for many years. I am also an international judge for Collies and Shelties and I have been judging in Norway, Finland, Denmark, England, Ireland, Holland, Germany, Australia, Switzerland, Russia and of course in Sweden.

I am very much looking forward to judging bitches at the East Anglian Collie Association Show.

HAYDEN FEETHAM

I grew up around Portuguese Water Dogs as my parents have owned the breed since 1992 and have been involved with showing them myself since I was five years old. I also grew up around my grandparents' Rough Collies, Shetland Sheepdogs and Toy breeds. I currently live with two Portuguese Water Dogs, one Cavalier King Charles Spaniel, one Cocker Spaniel and one Shih Tzu mix.

Over the years I have had success with showing dogs of various breeds from fun shows to champ shows, and at Crufts. I have taken part in both Junior and YKC handling and have competed in the J.H.A semi-finals at Richmond.

Since 2012 I have enjoyed judging at dog shows from fun through to open shows. I have had the honour to judge Newfoundlands, Portuguese Water Dogs, Rough Collies, Border Collies, Shetland Sheepdogs and Tibetan Terriers.

I have been a member of the East Anglian Collie Association for many years and enjoyed visiting the E.A.C.A shows to watch both the Rough & Smooth Collie judging and catching up with fellow exhibitors. I enjoy helping out at the E.A.C.A club shows and decided to join the committee in 2021 where I became involved in stewarding at the 2021 championship show.

CODE OF ETHICS

- 1) Members shall maintain the best possible standards of health and environment for their dogs, not keeping more than they can properly care for.

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Breed and Best Puppy in Show respectively. Where the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Breed and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively.
11. **Best in Show.** The dog declared Best in Show must be selected from those dogs which have been declared Best of Breed (or Best Any Variety Not Separately Classified). 13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

WELFARE OF DOGS

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Limited Rules and Regulations.
