Charlotte Nørskov Jensen (Nørskov) CV - Dog Judge

First thank you for the invitation to judge COTY 2022 in the UK. It is always a pleasure to come and visit the UK and see your lovely Chows.

I have judged the Chow Chow breed for nearly 25 years at both Kennel Club as well as Chow Chow Club shows and many open shows as well, at which other breeds also have been entered.

I have been judging Chows around in Europe.

I have always had great interest in both the show part as well as breeding, and I breed both Rough as well as Smooth Chow Chows myself. In 1995 I imported my first Smooth bitch from Sweden, and she became the foundation for my current breed line.

I breed under the Kennel name, Nørskov's, and have had Chow Chows for about 36 years now.

In order to get healthier dogs and quality improvement, I have also imported dogs from Norway, Russia, Germany and UK throughout the years, and I have had more great show dogs and champions. Most of my dogs have had close English lines in their pedigrees.

I have participated at shows in Europe, both as part of the audience as well as showing my own dogs, at which it has been a great pleasure to meet other people sharing the same interest for this breed.

My best achievement, as to shows, was in Paris 2011 where two litter sisters won "Best Bitch", black and blue, and the title "World Champion" respectively and Best of Breed at the big Italian Club Show.

I very much look forward to visiting England again and Judging the Chows, which own great respect in Denmark.

Charlotte Nørskov Jensen (Nørskov)

Anne Grant (Taniko) CV - Bitch Judge

Having seen a lovely black bitch and red dog owned by my husband's uncle, Steve and I were then captivated by the breed. Our first Chows were purchased from 'Lechan' some 38 years ago!

Our first litter produced the Black Miss Rio of Lechan who was shown with some success by the 'Godber's',

Then a black dog Taniko Lord Titan was bred and he went on to win 2CC's with BOB and 3RCC's. Two bitches were campaigned later, these being Lechan Amber Louise To Taniko (2CC's with BOB and 5RCC's) and a fawn, Taniko Solitaire (2CC's with BOB and 1RCC). Sadly neither got the special 3rd CC.

I have not always been able to attend shows due to other commitments and the considerable travelling involved. Chows have been present at 'Taniko' since the early 80's and the occasional litter has been bred.

Our latest litter was born in November 2021, at present we have Crystal, a fawn bitch and Harley, a blue dog having always been fond of the colours. We also retained a blue bitch puppy.

I have awarded CC's on several occasions and am honoured to be asked to judge bitches at COTYS 2022 and I am really looking forward to the show.

Anne Grant (Taniko)

Kathleen Ridding (Komatsu) CV - Referee & Classes 23, 24 & 25

My first introduction to Chows was in 1986 when my husband Neil and I purchased a black dog, MIDNIGHT STAR RIDER. This started my interest in showing. Soon after we got to know Elaine and Martin Cannon of the Miketilla kennels and in 1987 purchased a red dog T'SAMPA TORANAGA SAN, then 12 months later a red bitch, MIKETILLA TANYAS TIGRESS. Both did some winning, both gaining stud book entries.

I had begun to help with the matings and whelpings at the Miketilla kennels. In 1993 a litter was born and a beautiful self red bitch caught my eye. After some persuasion Neil agreed that we could buy her. She became CH. MIKETILLA MOMENTUM IN TIME ('Dollie'). She won 7CC's (including Best Bitch Crufts 1999), 4 BOB, 9RCC's, a Group 4 and was Best Bitch and Reserve Best Bitch in Show at the Chow of the Year Show in 1997 and 1999.

In 2002 Ch. Shiyue Starman at Miketilla was mated to Am. Ch. Redlion Mactyke Glamour Girl while she was resident here in the UK. I purchased a red bitch who became CH. IR. MACTYKE'S AMERICAN BEAUTY AT KOMATSU. She had an outstanding show career winning 26CC's, 19 BOB, 16RCC's plus a Group 1 and Group 3 placing. She was Top Chow in 2005 and 2006. MIKETILLA MISS DIOR AT KOMATSU, she had a very successful puppy career including BIS wins and Best Puppy at COTYS plus one RCC.

At the moment I am showing CH. MIKETILLA MR RAFFLES AT KOMATSU, who has to date won 8CC's, 5BOB and 5RCC's. "Raffles" is the sire of AKAKURO ACE OF HEARTS who has made a promising start to his show career winning 4RCC's from the puppy classes.

I was first passed to award CC's in Chows in 2003 and have also judged in Denmark, Germany, Italy, Norway and Ireland.

11. **Best in Show.** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
- WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. **Not for Competition:** Not for Competition entries will be accepted. Details of each dog so entered must

- be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
 20. **DOG FOULING:** Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
 21. **REPLACEMENT JUDGES:** Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
 22. **ALTERATIONS:** An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
 23. **EXHIBITORS PASSES:** WILL NOT BE SENT. For acknowledgement of entries please enclose a S.A.E. Exhibitors entering 1 or 2 dogs - 1 FREE pass. Exhibitors entering 3 or more dogs shall have a further FREE pass.
 24. **RESPONSIBILITY:** Parents are reminded that they are responsible for the actions and any damage done by their children within the precincts of the show.
 25. **REGULATIONS F. F9 EXHIBITION OF DOGS:**
 - a) No person shall carry out punitive correction or harsh handling of a dog at any time whilst at the licensed venue including its environs, car park and caravan parks and approaches.
 - b) The owner, exhibitor, handler or other person in charge of a dog at Kennel Club events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches.

Regulations For The Preparation of Dogs For Exhibition F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A11.
 - (a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
2.
 - (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the show.
 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:-
 - (a) Operations certified to the satisfaction of the Board.
 - (b) The removal of dew claws of any breed.
 - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.

Nor must anything be done calculated to in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the show secretary at his/her office before the close of the show and the individual must produce evidence of identity at the time of lodging the complaint.

Exhibitors please note: In accordance with Kennel Club guidelines, exhibitors must display exhibit number/ owner identification on their crate, cage or container at all times.

IMPORTANT NOTICE TO ALL EXHIBITORS

Venues are increasingly hard to find and we have tried our best to source a good venue in an easily accessible place, at a good price which keeps your entry fees low. Tomlinsons is very very keen to have us visit again.

Please keep the environs clean & tidy. Doggy bags & bins are provided - please use them!

PLEASE BE HELPFUL IN THIS RESPECT!

NO SMOKING IN THE VENUE

CAGES/CRATES

The Kennel Club requests that all dogs in soft cages are NOT left unattended at any time, for safety reasons and that all cages/crates are correctly and clearly labelled with exhibitors contact information or ring number.

THE COMMITTEE WOULD LIKE TO REMIND EXHIBITORS THAT PARENTS ARE RESPONSIBLE FOR THEIR ACTIONS AND ANY DAMAGE DONE BY CHILDREN WITHIN THE ENVIRONS OF THE SHOW.

Photography and Video Rights

The organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission of the organisers. Press accredited photographers are provided with permission to take photographs ONLY for the use in newspapers, magazines and internet sites - this is for news purposes only. There is no objection to the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photographs or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the ring at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19, they must self isolate in line with government advice. The competitor must not attend the event.

Please note

- This show may be subject to restrictions in relation to social distancing/use of face coverings etc in line with government guidance in place on the day.
- In the unlikely event of the show being cancelled due to Covid-19 all entry fees will be refunded within 28 days.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.
