## 24. DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

## 25. Welfare of Dogs

A competitor whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the Board for disciplinary action under Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any obedience show licensed by The Kennel Club. This shall apply at the venue and within the precincts of the show.

26. Food and/or toys shall not be carried or given to a dog under test except in Introductory Class where silent toy and food rewards may be used between and after exercises and in a special class if specified in the class definition. Competitors must not distract other dogs when rewarding their dog with food, toy or play. (Refer to Obedience Code of Conduct).

## OBEDIENCE DEFINITIONS OF CLASSES

1. Dogs are ineligible to compete at limited shows which have won an Obedience Certificate or obtained any award that counts towards the title of Obedience Champion under the rules of any governing body recognised by The Kennel Club. Obedience Champions are only eligible to compete in Class C at open and championship Shows.

2. A dog must be entered in the lowest scheduled class for which it is eligible and may also be entered in another class if desired plus one additional class at the society's discretion.

Exemptions from this regulation are:-

A dog entered in a Good Citizen Dog Scheme Special Pre-Beginner Obedience Stakes Class or

A dog entered into a Young Kennel Club (YKC) obedience class which may also be entered in a maximum of two other scheduled classes (including YKC classes) for which it is eligible or

A dog only entered in a special class (or classes) provided such a class (or classes) are defined in the schedule.

Such entries must be made in line with the show's closing date for entries.

**PRE-BEGINNERS** To compete in pre-beginners a handler or dog must not have won two 1st prizes in either pre-beginners or beginners nor gained a 3rd place or above in any other obedience class. (Introductory class excepted.) and have not elected to progress on points from Pre-Beginners.

**NOVICE** For dogs which have not won two 1st prizes in obedience classes. (Introductory class, pre-beginners and beginners excepted) and where the handler has not elected to progress on points from Novice.

**CLASS A** For dogs which have not won three 1st prizes in class A, B and open class C in total and where the handler has not elected to progress on points from Class A.

Progression on wins. Progression from each class will be determined by the eligibility for the class as referenced in Regulations G(A). To count for progression wins must be gained in standard classes at Kennel Club licensed Open, Premier or Championship Obedience shows. A first place will count towards progression.

Progression on points. At the handler's discretion a dog may progress up to the next class, up to and including into Open Class C by gaining points at each level, using the Obedience Excellent scale of points scheme as follows:

- Ten points for first prize
- Four points for second prize
- Two points for third prize
- One point for fourth prize

If this method of progression is selected, the handler must ensure the show secretary/chief steward signs the dog's Obedience Record Book at the first show entered in the higher class. There is no time limit on this progression, however, once a dog or handler has progressed, they cannot return to the class that they had progressed from. All wins and places to fourth since 1 January 2019 can be included when calculating points. Points are specific to a particular class and cannot be used against a lower or higher class.

Points required for progression on points are as follows:

1. 20 points required for progression from Pre-Beginners.
2. 20 points required for progression from Beginners.
3. 20 points required for progression from Novice.
4. 30 points required for progression from Class A.
5. 30 points required for progression from Class B.

## Judges Profiles

### Marion Withers

My family had our first pet Sheltie in 1962, and when she died, a friend in Clumber Spaniels suggested we start showing and breeding them. It did not take much persuasion! The Stanydale affix was registered with the Kennel Club in 1979, in joint ownership with my late mother, and our foundation Shetland Sheepdog bitch from which all current Stanydales come down was Loughrigg Tarantella, bred by the late Audrey Britten. Our first champion, Ch Stanydale Challenger, was made up in 2002. I have continued the breeding line since my mother passed away, and my latest home bred champion, a tricolour dog, Ch Stanydale Shot In The Dark JW, is a direct descendent of Challenger.

My first judging appointment was in 1984 and since then I have judged breed and variety classes at open shows, mainly in the Pastoral, Working and Utility groups. I first awarded CCs in Shelties in the UK in 2001, and since then have also officiated at championship level in Europe, Australia and New Zealand. In 2018 I had the honour of judging Sheltie dogs at Crufts. I am also approved to award CCs in Lhasa Apsos.

I served on the committee of Colchester Canine Society for over 20 years, also as secretary of the East Anglian Branch of the English Shetland Sheepdog Club (ESSC). I have been on the main committee of the ESSC since 1997, initially as Treasurer, then as Vice Chairman, and since 2019 as Chairman. I am a lecturer and assessor on the Club's Training of Judges Scheme, and on the mentor and observer lists for the new Kennel Club Judges Education Programme.

I have a keen interest in health matters, and am the UK Kennel Club Breed Health Coordinator for Shetland Sheepdogs, as well as Treasurer of the Pastoral Breeds Health Foundation, which promotes health testing and research into inherited conditions of breeds in the Pastoral Group. I have been closely involved with the research into PRA in Shelties which has resulted in the development of a DNA test for BBS2-PRA.

This will be my second time judging the dog entry at the ESSC championship show and I am very much looking forward to the appointment.

### Marion ten Cate (Own Delight Shelties)

I grew up with dogs. My parents got their first Sheltie in 1964. In 1970 we bought three Shelties from Exford, Hildlane and Shelert lines and an American Cocker Spaniel. That was our introduction to the Dog World. Showing and training became a hobby and part of life for the family. I started training and showing dogs when I was 13 years old. In 1976 I became Dutch Obedience Champion with my Cocker Spaniel.

Our kennel name is 'Own Delight'. The first Sheltie litter was born in 1975. We only bred a litter when we had the intention to keep a dog. All dogs live in the house and they are part of the family. That is why we have now, 45 years later, bred only six generations. Every generation gave us a Show Champion and we bred four following generation Show Champions. We have owned and bred 16 Sheltie Champions in all colours. My pride and joy was my dog Ch. Own Delight's Pascal who was a dual champion. I handled him to a Show Champion and in 2006 he became an Agility Champion at the age of nine years. I still have two Show Champion daughters from him, with which I still train agility.

I studied Biology and specialized in animal (dog) genetics. My first judge's assessment in Holland was in 1996 for Shelties. In 2001 I passed the judges training scheme of the ESSC. So now I am on the UK A1 list as a Breed Specialist in Shelties and on the A1 list for Belgian Shepherds.

I have an interest in everything that has to do with dogs. So, I judge now FCI Group 1 and FCI Group 5, which is similar to the Pastoral and Utility Groups in the UK and some breeds in other Groups.

I have judged in many countries including Australia and South-Africa and I have judged more than 300 CACIB/CAC shows, with in total over 30,000 dogs including 4,200 Shelties and 5,000 Belgian Shepherds.

Next to being a judge I am involved in several committees and I give seminars about Breed Standards, Construction and Genetics of dogs. So, dogs are not only a hobby but also a way of life. I love it.

- The Committee reserves to itself the right to refuse entries.
- Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
- The mating of bitches within the precincts of the Show is forbidden.
- Best Puppy in Show (if scheduled).** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it may, at the discretion of the judge, be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it may, at the discretion of the judge, be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
- Best in Show.** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
- Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not completed on time, and then only with the special permission of the Show Management.
- Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
- All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
- All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
