security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

### Dog Fouling F8 (a)

Any owner, exhibitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including the car and caravan parks and approaches. The Society will arrange for the dispersal of suitable receptacles to assist compliance with regulation F8(a).

### Attraction of Exhibits F(1) 17f

The attracting of exhibits by any method from outside the ring is prohibited. It is the duty of the judge steward or show management noticing such attraction to ask that it ceases.

## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

  - A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.

  - Operations certified to the satisfaction of the Board.
  - The removal of dew claws of any breed.
  - Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated to in the opinion of the Board to deceive.

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- Any objection by an individual related to an infringement of these Regulations must be made in writing to the show secretary at his/her office before the close of the show and the individual must produce evidence of identity at the time of lodging the complaint.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm.**

**Please take care of your dog.**

**If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.**

- 17 Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

- 2 Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
- 3 The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
- 4 An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
- 5 All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
- 6 Please do not obstruct gangways with cages, pens, grooming tables, trolleys and dogs. Storage space will be made available for trolleys/ cages.

No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
- 8 The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event)
- 9 A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
- 10 Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

#### **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

#### **Security at shows**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of

### **Ian Watt our Judge**

Under the Nisyros affix, co-owned with my partner, our involvement with Smooth Fox Terriers spans over the past nine years. Our original dogs were imported from the USA and Spain. We have made up three UK Smooth Fox Champions. We are delighted to see our breeding doing so well all over Europe. Prior to showing Smooth Fox Terriers, we were very successful in Japanese Chin, King Charles Spaniels and Chinese Cresteds. We both award CCs in Japanese Chin and King Charles. We currently show Smooth Fox Terriers, Lakeland Terriers and Kerry Blue Terriers. I am very much looking forward to judging the Smooth Fox Terrier Association Open Show and I thank the committee for inviting me

10. **Best Puppy in Show (if scheduled).**

A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the show. - 15 All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
- 16 Dogs in Vehicles on Hot Days. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
