

## HOUNDSHOW COVID 19 GUIDELINES

Any exhibitor who has symptoms of Covid 19 should **NOT** attend

Anyone who has been contacted by Track & Trace or who has been “pinged” should also **NOT** attend.

The Officers & Committee have been in close and frequent contact with the Showground and Stafford Council to ensure the correct measures have been put into place to reduce the potential for transmission of the virus. However it is the responsibility of all attending the Show, especially anyone who would be classed as “vulnerable” to ensure they conduct themselves in a manner which adheres to Covid guidelines in force on the day of the Show. Ensuring the safety of our exhibitors, stewards, judges, trade stand holders and staff at the Showground is our priority and on that note you can of course get a ‘lateral flow test’ to do at home the night before.

Masks **MUST** be worn at all times in any indoor setting, unless seated, although it is not required outside. However we would respectfully request that everyone maintains the social distancing rules we are all used to.

One way systems will be in place in areas of the Showground and the toilet facilities will all have clearly signposted entrances and exits and one way systems.

Exhibitors should bring chairs as none will be available on site

Breed rings will be well spaced throughout the Showground, with dedicated car parking zones as adjacent to your breed ring as possible

Award boards will not be in use to avoid congestion around them

Exercise areas will be clearly signposted

Please listen to and respect all requests made by show officials and staff as they will be doing so in your interests and to comply with national and local protocols

Hand sanitising stations will be in all rings and throughout the Showground

Everyone associated with the organisation of the show and its running on the day is there to help you and ensure the smooth safe running of the show. Abuse towards anyone Show official, Steward, Judge or member of staff will not be tolerated and anyone found to have been abusive will be asked to leave the show immediately
